

NGO Reports Summary

The Improving Mental Health Strategy, Te Tahuhu, sets out 10 leading challenges for Mental Health and Addiction Services. This suite of reports provides information to support two of the leading challenges: Responsiveness and, Transparency and Trust.

The requirements for the following reports have been gathered via the NGO Reference Group during May 2010 and August 2010.

All 3 reports are intended to be run for pre-defined quarters (via Business Objects) both as scheduled reports, and also as required (on demand). The reports will all be extractable to Microsoft Excel.
