

Horizon 1 and staying focussed for Horizon 3

Atamira Platform: Members Day 22 Sept 2022

Dr Monique Faleafa

Pre-pandemic, globally healthcare systems faced similar challenges

Global Healthcare Challenges

Rising Healthcare Costs

Aging Populations

Increase In Chronic Diseases

Shortages of Skilled Healthcare Workers

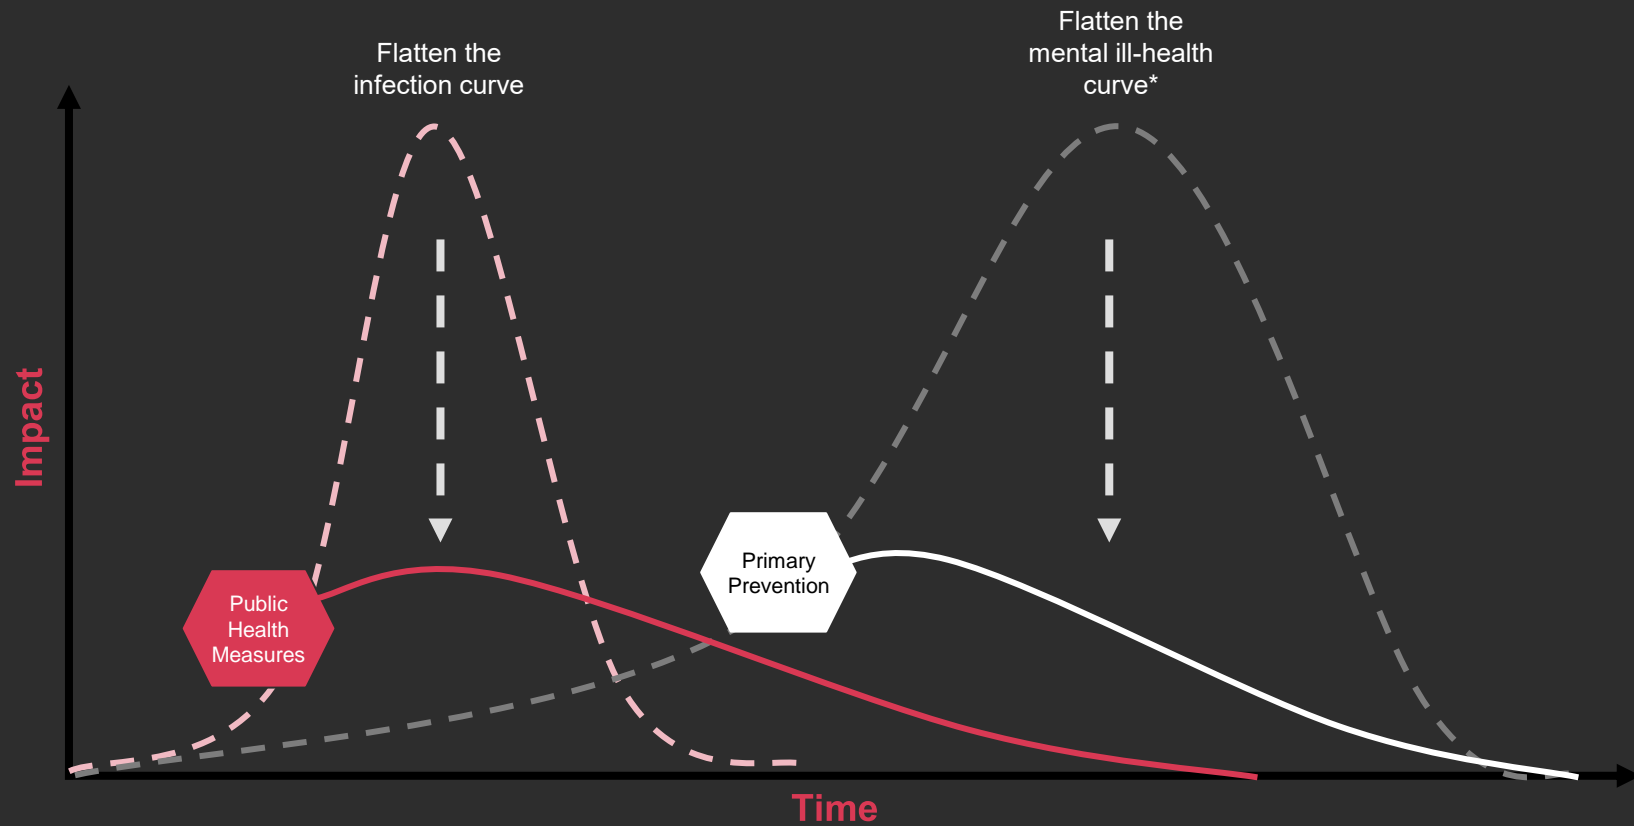

Lack of Infrastructure

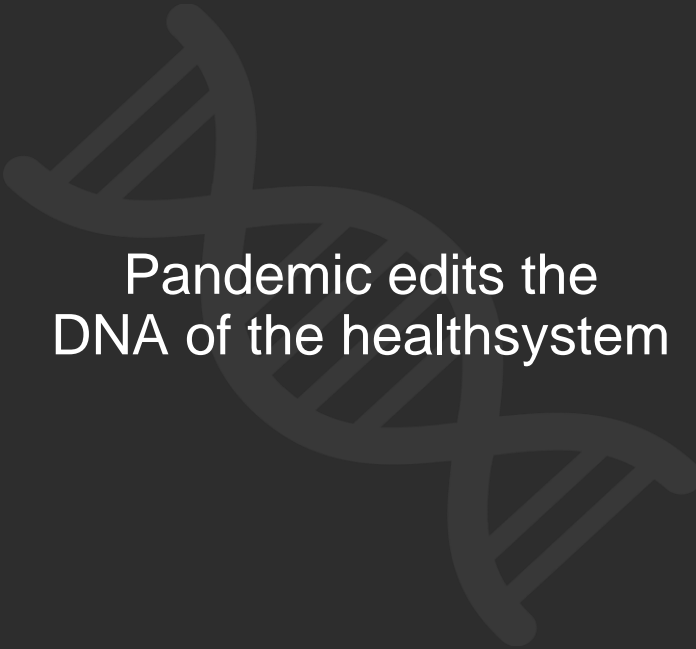

Lack of Healthcare Access

Do we need to turn our attention to flattening the mental health curve?

*conceptual only; Adapted from Lachlan Kent

Pandemic edits the
DNA of the healthsystem

Quadruple whammy

Covid response
& recovery

BAU

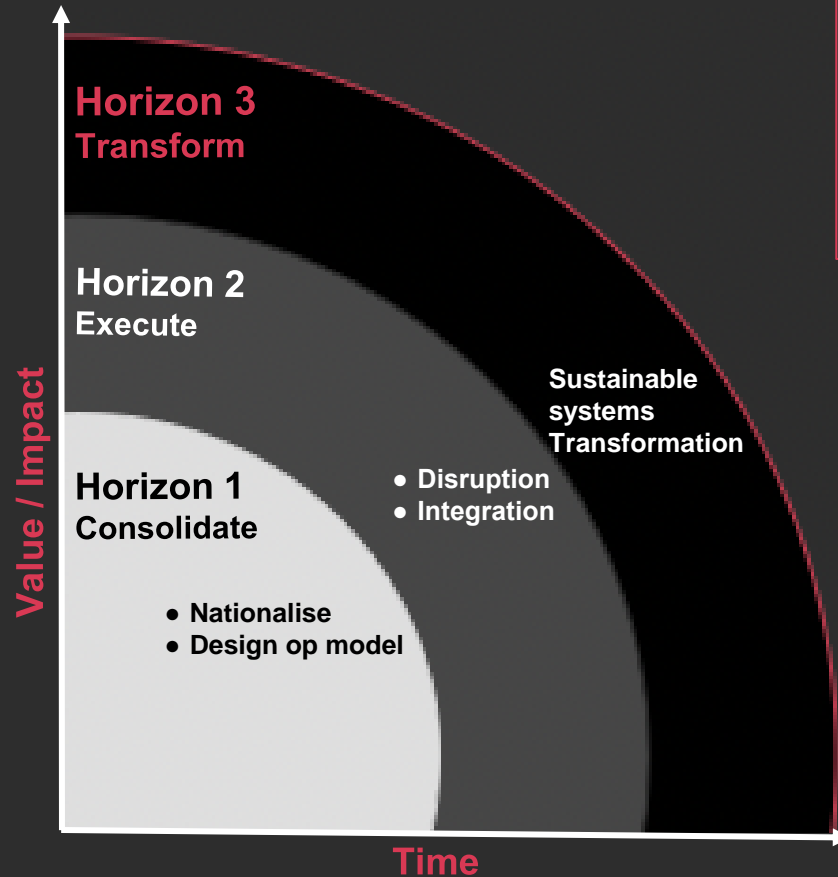

Catch up &
flow on from
delayed care

Health
Reform

*The only way to
predict the future
is to create it.*

Healthcare system transformation horizon

“We always overestimate the change that will occur in the next two years and under-estimate the change that will occur in the next ten... don’t let yourself be lulled into inaction.”

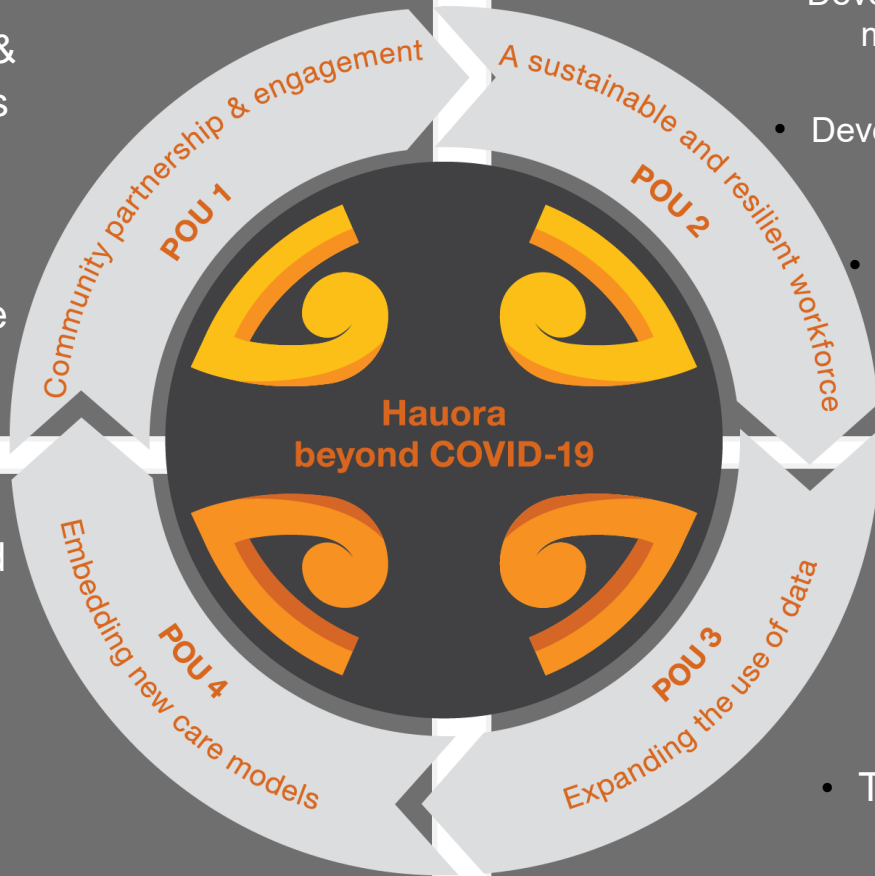

— Bill Gates

3. Implications for providers

- Maintain and expand effective partnerships & strategic collaborations from the pandemic.
- Build trust with communities you serve

- embed virtually enabled models of care
- Ensure you are “fit for recovery” with the right levels of efficiency, capabilities and capital

- Develop strategic plans for workforce models, retention and recruitment
- Develop a compelling EVP, including equity
- Identify opportunities to improve employee wellbeing
- Upskill staff in digital literacy

- Data-driven decision making and service planning.
- Truly know and understand the populations you serve.

The background of the slide is a dark grey, intricate Maori pattern. It features symmetrical, swirling designs with dotted lines and geometric shapes, characteristic of traditional Maori art. The pattern is dense and covers the entire page.
